# Scenario

You recently commented on an online post on Instagram which you found relatable. @Sk8terboi then messaged you privately saying that they agree with you as well.

Both of you have an enjoyable chat online with each other.

@Sk8terboi seems nice and his profile looked cool.  
@Sk8terboi asked you if you want to meet up to talk more.

## Option 1:

Agree to meet-up

## Option 2:

You reject the meet-up

# Option 1

Both of you all discussed and eventually decided to meet up at a nearby coffee shop to your place

## Option A:

Meet up with @Sk8terboi  
alone

## Option B:

A close friend of yours  
followed along to meet  
@Sk8terboi

# Option 1A

You arrive at the coffee shop and see a person that was wearing the clothes that matches what @Sk8terboi said. You text @Sk8terboi asking if he had reached and he said he has. But the person you saw was way older than what @Sk8terboi said he was.

## Option (i):

You walk up to that person and asks if he was @Sk8terboi

## Option (ii):

You come up with an excuse to play safe and not meet up with @Sk8terboi

# Option 1Ai

The person said that he was @Sk8terboi and was pleased to meet you. He seems friendly and harmless. But you have some doubts with regards to his appearance

## Option (a):

You sit down and @Sk8terboi bought you a drink

## Option (b):

You reject the offer and expressed your concern with regards to the profile picture and actual appearances

# Option 1Aii

However, you were not tactful in explaining and @Sk8terboi spotted you before you can make your escape and calls out to you.

## Option (a):

Since you have already been spotted, you decide to sit down and have a drink

## Option (b):

You try to run as fast as possible away. But @Sk8terboi already knows how you look like

# Option 1A(i)(a)

- @Sk8terboi bought you a drink and started to question you about what you said previously
- Would you drink it and what would your reply
- What could possible happen after this?

Create your own outcome! What will you do?
